Section 13. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Properties to the Association. The First annual assessment shall be adjusted according to the number of the month remaining in the calendar year. Until such time as the Properties are conveyed to the Association, the Developer shall have the option to assess and collect the initial annual assessment amount from each Owner commencing with the first day of the month following conveyance of the Lot from the Developer to the Owner. The failure of Developer or the Association to assess a maintenance fee in any year shall not be considered a waiver of the right to collect past due amount or to assess such fees in the future. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Association or the developer as the case may be. The Association shall, upon demand, and for reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

Section 14. Any assessment not paid within thirty (30) days after the due date shall earn interest from the due date at the rate of 18 percent per annum. The association may bring an action at law against the Owner personally obligated to pay the same and/or file a lien with the County Recorder and/or foreclose the lien against the property. No owner may waive or otherwise escape liability of the assessments provided for herein by non-use of the Properties or abandonment of the Lot.

Section 15. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage; sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot or Owner from liability for any assessments thereafter becoming due or from the lien thereof. Failure of the Association to file a lien notice with the Recorder shall not preclude the personal obligation of the owner.

Section 16. The Developer may file Articles of Incorporation with the Indiana Secretary of State without any further consent of any Owner. The Developer shall, upon establishment of the Association, record with the Recorder of the County a notice of creation of the Association and further mail such notice, by regular US mail, to each Lot Owner as indicated in the Plat books of the County Auditor and to the address of each Owner as shown for real estate tax notices as maintained by such Auditor. Each Lot Owner, by acceptance of a deed thereto, shall automatically become a member of the Association, regardless of any other abilities, intentions or desires of such owner, and each lot owner agrees to abide by the rules, regulations and By Laws of such Association.
